TWENTY FOURTH SUNDAY IN ORDINARY TIME

PARISH NEWS ITEMS

I hope you will forgive the absence of our usual reflection on the Sunday's readings today but I thought it would be a unique opportunity for me to offer you all a deeply felt sad goodbye. I remember our spiritual director at the Beda College once telling us how the life of a secular priest and that of a monk differ. A monk takes a vow of stability whilst a priest gives a promise of 'instability'. In other words, we are supposed to go where we're sent. In our contemporary age of 'self-determination' this is easier said than done, and most of us value and probably prefer to be 'rooted'. So, whilst I am leaving my 'comfort zone', I do still have a country; and am part of a nation. I feel humble to be able to appreciate nationhood when seeing so many around our world who are seriously and existentially displaced. It's something we should never take for granted. Food for thought. I would like to take this opportunity to thank one and all of you in St. Joseph's for the wonderful help and support you have given me over the last three and a half years. Despite the rupture you have all experienced over the last year you have always shown immense understanding. I truly feel for you all and pray that the Mass situation will be resolved. I have truly enjoyed my involvement with St. Joseph's School and its link with the parish. May the Lord Bless you all and may you experience His peace and love in your lives.

This is Fr. Bob's last Sunday in the parish after which Fr. Andy Franklin will assume his role as Parish Priest of St. Joseph's. On this special day we have Masses at 8.00am, 10.00am and 5.30pm, and after the last Mass there will be a celebration in the hall for Fr. Bob to which you are all invited.

We would be grateful for any donations of cakes and biscuits: these should be brought to the hall by 4.30pm today, please.

Welcome: Let us prepare to welcome our incoming Parish Priest, Fr. Andy, and thank him for his 'yes' to taking on the role of caring for the parish of St. Joseph's and the needs of the parishioners into the future.

Contact Details for Fr. Bob: Going forwards, there is a new email address to use if you want to contact Fr. Bob, as he will no longer be using the current one for St. Joseph's.

If you have moved house or changed phone number since joining the 200 Club, please can you check we have the right contact details for you.

Little Red Boxes: Thanks to those who have brought their boxes in for counting. All the boxes which were named have

now been handed back. Unfortunately, there is one unnamed box remaining: if you have not received your box, please talk to June and Lennie or leave a note giving your name and address for them in the sacristy.

Once again, thanks to all who hold Missio boxes in their homes.

Maryvale Institute offers a range of part-time, distant learning courses e.g. in Catechesis, Parish Mission & Ministry & Healthcare Chaplaincy, among others. These are designed to enable adults to continue their own faith formation and equip themselves for collaborative ministry with the clergy in their Parishes. For more information, come along to an informal meeting in the Flint Room, St Peter's Parish Centre, **21st September at 7.30pm**

Are you hearing me? A small hearing aid was found in church two weeks ago. Please see Fr. Bob if you think it might be yours.

SCJ Annual Sponsored Walk: It has long been a tradition in this parish to support the SCJ's main fundraising event of the year. This year's walk takes place on Saturday 30th September at 1.30pm at Sandwell Park. Please have a look at the paperwork in the narthex and do sign up for an enjoyable afternoon's gentle exercise! There will be car spaces available for anyone without transport who would like to do the walk.

Narthex

You will have noticed how the church narthex has been tidied and rearranged of late. The idea is to create a space that should minimise 'clutter' and enable notices etc to be seen more clearly. There is a tendency in many churches to leave and forget about notices and periodicals so that the porch area can begin to lose its freshness. Hopefully in future we can keep notices up to date and provide a useful space where information and important leaflets are easily found. Many thanks to Hazel for initiating this project.
